Trip to Baker's Park for "Walk in a Park Day"

A Word From Our Executive Director

Dear Residents,

As we step into the month of May, I wanted to take a moment to reflect on the essence of change and our collective journey here at Seascape at Naples.

Change is an inevitable part of life, and sometimes it can feel unsettling, especially when it involves transitions within our community. Over the past few months, we've experienced some staff turnover, and I understand that this might have raised concerns among you. I want to reassure each and every one of you that despite these changes, Seascape remains your home, a place of warmth, care, and familiarity.

I want to emphasize that I am fully dedicated to you and to enhancing the services and amenities we offer. Your comfort, well-being, and happiness are my top priorities.

I am diligently striving to improve every aspect of life at Seascape. Whether it's refining dining options, or strengthening our communication channels, I am committed to listening to your feedback and implementing positive changes that benefit us all.

Thank you for being an integral part of our Seascape family. May this month be filled with blessings, growth, and a renewed sense of belonging.

Warm regards, Kristina C.

Resident Spotlight: Ms. Francoise D.

Ms. Francoise was born in Roubaix in northern France. She was an only child who became an avid reader and learned many life skills as a proud Girl Scout. Francoise's childhood was impacted by WWII and she lived through the occupation becoming a war refugee. She attended The Catholic University of Angres and soon after became an interpreter for the American Army based out of Samur, FR. While working for the Army, Francoise met her husband and soon after moved and married in Chicago, IL. Together they had 3 sons: Vincent, Jan and Steven. Receiving a master's degree from Roosevelt University, Francoise became a French Professor for colleges in IL and CA. After her husband's passing, she decided to follow her passion for art and opened an antique store in California Gold Country and later on, an art gallery in Taos, New Mexico. Francoise's interests include travel, classical music, walking, art, but most of all, lifelong friendships.

Aloha, Inspiritás Family! May brings a burst of joy as we celebrate the remarkable women in our lives with Mother's Day. Join us in honoring these incredible souls at our enchanting Mother's Day Tea on Sunday May 12th at 2pm. Our family meeting will be May 24th at 3pm in the card room.

This month, our Coast-to-Coast theme takes us on a sensory adventure to Hawaii, where we'll immerse ourselves in the vibrant culture. From the soothing melodies of Hawaiian music to the tantalizing flavors of island cuisine, we'll explore Hawaii's beauty through our senses. Dive into art classes, savor culinary delights, sway to traditional dance, and let the rhythm of the islands lift your spirits. Discover the warmth of aloha with us in Inspiritás Memory Care. Don't forget to check out our monthly programs calendar for a full lineup of exciting events. May will certainly be a month to remember!

Those born between May 1–20 are Bulls of Taurus. Bulls show a steady persistence in both professional and personal endeavors. After working hard, they like to reward themselves for a job well done. If you were born between May 21–31, you are a Twin of Gemini. Geminis make communicative and lively companions. Intellectual and imaginative, they are the ones to sit near at a party.
